SUPPORT SERVICES

All activities take place at Kennedy Krieger Institute unless otherwise noted.

Regeneration Generation Patient Education Group

Monthly patient education group open to anyone with paralysis, as well as to caregivers and family members. Email ICSCISupport@KennedyKrieger.org or call **443-923-9468** for more information.

Peer Mentoring

Partnering with the Christopher and Dana Reeve Foundation, this program connects patients, and their caregivers, of the International Center for Spinal Cord Injury with peer mentors who understand what it's like to live with paralysis and can provide support. Email Mortimer@KennedyKrieger.org or call **443-923-7998** for more information.

Adaptive and Recreational Sports

We offer a range of programs, both competitive and recreational, including handcycling, virtual and adaptive sailing, wheelchair rugby, and wheelchair lacrosse. Visit KennedyKrieger.org/AdaptiveSports to learn more.

Life Through Motion Wellness and Exercise Program

Designed to provide opportunities for regular and consistent exercise outside of therapy, Life Through Motion offers an on-site wellness gym with adaptive exercise equipment, as well as group fitness, independent aquatics and personal training options. To learn more, call **443-923-9474**.

Resource Finder

Kennedy Krieger shares a wealth of resources and information about developmental disabilities through its Resource Finder, which includes:

- Parent and caregiver resources
- Local, state and national association information
- Educational, child care and recreational resources
- Workshops and continuing education events
- Lists of service providers and specialists

Visit KennedyKrieger.org/ResourceFinder or call **1-800-390-3372** for more information.
