

Do you have a Concussion?

Seeking right-handed teenagers 13-17 years old with a sports-related concussion for a research study

We are recruiting right-handed teenagers with a sports-related concussion and their parents to participate in a research study to learn about recovery from a concussion.

WHAT: Teen will complete thinking tests and motor and sensory tasks and will have 2 brain Magnetic Resonance Imaging (MRI) scans. Parent will complete questionnaires.

Two 4-hour visits to Kennedy Krieger Institute are required: 1 within two weeks after injury & 1 one month after injury. A 3rd 2-hour visit may be required.

WHERE: Kennedy Krieger Institute, Baltimore, MD

BENEFIT: There are no significant risks or direct medical benefits for participating in this study.

COMPENSATION: \$50.00 gift card for each visit to Kennedy Krieger

CONTACT: Brain Injury Research Line: 443-923-7987, Suskauer@kennedykrieger.org
