Preparing for Your Visit
Please refer to your appointment letter for specific information about your appointment. Any medication should be taken as prescribed on the day of the appointment. Please bring the following information:
- Health insurance card and a photo ID
- Primary care physician’s name, address and phone number
- School’s name, address and phone number
- All adaptive equipment currently being used (e.g., AFO braces, canes, walker, hearing aids, glasses, communication systems, etc.)
- Updated or recent medical and educational records
- List of current medications, including dosage
- Completed questionnaires you may have received before your visit

Consent for Treatment
It is necessary that the appropriate person accompany the patient to the appointment to provide legal consent for treatment, and to make care decisions. Please bring any legal documentation pertaining to the patient’s guardianship or custody, and to the right of a parent or agency to provide consent and make decisions on behalf of the patient, or to the ability of the patient to consent to treatment and make decisions on the patient’s own behalf. A copy will be added to the patient’s medical record. No additional paperwork is required for biological or legally adopted children. If you have questions about this process, please call the Kennedy Krieger Social Work Department at 443-923-2800, or visit marylandattorneygeneral.gov/Pages/HealthPolicy/hcda.aspx to learn more about the Health Care Decisions Act in Maryland.

Insurance and Referrals
Please be aware of your insurance benefits and authorization or referral requirements. If you have commercial insurance or no insurance coverage, payment is expected at the time of your visit for noncovered services. Referrals may be faxed in advance to our Patient Access Office at 443-923-7405. The referral must identify Kennedy Krieger Institute as the service provider.

All HMO patients must bring a referral with authorization from a primary care physician. HMO patients who arrive without a referral will be asked to sign a waiver and pay for the visit at the time of services. If you have questions about insurance benefits, please contact our Patient Access Office at 443-923-7400.

Billing
For billing purposes, our outpatient center is designated as an outpatient hospital facility. You may receive two bills for each appointment—one from our physicians and one from the hospital. Both bills represent charges incurred during your visit:
- Your hospital bill includes charges for use of the hospital facility and any tests or procedures done during your appointment.
- The physician bill includes the cost of medical care, along with costs involving review and interpretation of your diagnostic tests.

Additional services, such as physical therapy, occupational therapy, laboratory tests and radiology, may be needed during your appointment. If provided, those services will be billed separately, and you may be subject to additional charges. For your convenience, we accept cash, checks and most major credit cards.

Get Connected to MyChart!
From a smartphone or a computer, MyChart is a secure, easy-to-use way for patients to access some of their medical information, and for parents to access important medical information about their child, at home or on the go. MyChart is FREE, secure and available 24/7. To sign up, get a MyChart activation code during your next visit. You can also visit KennedyKrieger.org/MyChart to learn more or to sign up.
Portable Health Profile Tool

At Kennedy Krieger, we emphasize the importance of creating a Portable Health Profile Tool—a personal health document containing important and current health information, such as your personal health history, emergency contact information, and information on insurance, medical conditions, allergies and medications. The Portable Health Profile Tool can help you take a more active role in your healthcare—you will maintain the tool yourself—and it will keep all of your critical health-related information in one place.

For more information about the Portable Health Profile Tool, or if you need help starting one, contact the Kennedy Krieger Resource Finder at ResourceFinder.KennedyKrieger.org or 800-390-3372.

Accommodations

Kennedy Krieger is committed to providing patients and visitors with reasonable accommodations and access to our facilities, services and equipment, regardless of disability. If you or a family member require accommodations for any disability or special need (hearing, speech, cognition, vision impairment, physical or other disability), please let us know. We have a dedicated TTY line available, and it may be accessed by calling 443-923-2645. Interpreter services for foreign languages or American Sign Language may be arranged in advance for medical appointments and therapy sessions. Please let us know if you will need an interpreter during your child’s treatment, and therapists will make the arrangements necessary to ensure that an interpreter is available during your child’s visit.

For Your Privacy

In accordance with healthcare regulations to protect the privacy of all patients, families and staff members, taking photographs or videos of anyone other than one’s own family members is not permitted without proper authorization. If you feel your confidentiality has been violated in any way, please contact the Office of Compliance at 443-923-1843.

Dining Options

There are no dining options located on-site. However, there are several fast food restaurants nearby, or if you prefer, you may bring a bag lunch and enjoy it in our family lounge area.

Parking

Parking is free and adjacent to both clinic locations.
