

Stay Connected With Kennedy Krieger's CareLink

An easy-to-use referral portal that
promotes collaboration and continuity
of care, with nothing to install

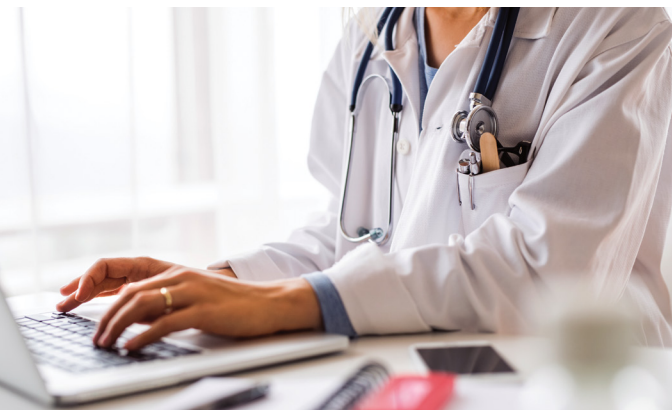

When it comes to your patients' care,
information is only a few clicks away with
Kennedy Krieger Institute's CareLink.

What Is CareLink, and What Are Its Benefits?

CareLink is a free, secure, online referral portal that provides real-time access to your patients' electronic health records. With CareLink, you can track appointments, lab results, medications and more. CareLink:

- Allows you to easily refer patients to Kennedy Krieger
- Prevents delays in referral processing, so your patients are seen as soon as possible
- Provides 24-hour, real-time remote access for viewing nonsensitive medical records (e.g., procedure and clinic notes, medication lists and lab results)
- Allows electronic release of information requests for sensitive clinical notes
- Enables direct communication with your patient's care team at Kennedy Krieger once your patient has been seen at the Institute
- Reduces paperwork and waiting times
- Centralizes notes in one location
- Enables you to connect all your CareLink accounts in one easily accessible place via Happy Together
- Is HIPAA-compliant

How to Enroll

Enrollment is quick and easy! Visit **[KennedyKrieger.org/EpicCareLink](https://www.KennedyKrieger.org/EpicCareLink)** for more information and to enroll.

- Once your registration is complete, you will have full access to Kennedy Krieger's CareLink.
