Please join us for
Pickleball for All,
the area's first
accessible pickleball
tournament for all
level players and
adaptive athletes!

Never played pickleball before? No worries, there will be a beginners' clinic; games for newcomers, proficient players and adaptive athletes; and mixed doubles, featuring teams of adaptive and nonadaptive athletes. And as always, you can expect the usual Team Kennedy Krieger camaraderie and fun!

Your participation and support allow Kennedy Krieger Institute to improve patients' quality of life and further their active lifestyles through the funding of adaptive sports, scholarships, new therapy equipment and opportunities to participate in adaptive sporting events and competitions.
