YOUR IMPACT

Pickleball for All is the perfect opportunity for you to put your organization's brand in front of Baltimore-area attendees and businesses, while at the same time helping Team Kennedy Krieger.

Team Kennedy Krieger has made a tremendous impact, raising funds and awareness for the amazing patients and families we serve every day. Over the last 14 years, **we have raised more than \$1 million!** Funds raised support the training needs of patients with disabilities who participate in Kennedy Krieger adaptive sports events, as well as scholarships to the Institute's Wellness Center, new therapy equipment, patient participation in marathons across the country, and adaptive and recreational sports and activities, such as wheelchair lacrosse and adaptive surfing. The team also donates funds back to Kennedy Krieger Institute.
