

**CALLING
ALL
ARTISTS!**

A Healing Art Initiative
of Kennedy Krieger

Help us inspire healing through art by creating a vibrant and transformative environment that fosters healing, comfort and **HOPE**.

What is KaleidoHOPE?

KaleidoHOPE is an opportunity for artists to transform spaces at Kennedy Krieger into uplifting environments for patients, students, families, and staff members through the power of visual art.

Who can apply?

Artists from across the country who are passionate about using their talents to support healing and hope are invited to donate their work, regardless of their age, ability, background or art medium.
