Linking My Chart Accounts

How do I link my other My Chart account to my Kennedy Krieger Institute My Chart account?

Web:

1. Once you are logged into your account, go to the "Profile" tab and click on "Link My Accounts."

Mobile:

1. Once you are logged into your account, go to the 3 dots in the top right corner of your screen and choose "Account Settings."

9:30 AM Mon Feb	o 17						奈 51%

Frica Smith	lovce S	Paul H	Bradley P	lourse S	Maria del	L	

2. From "Account Settings," scroll down to "Link My Accounts".

9:30 AM	Mon Feb 17	奈 51% 🔲	
<	Account Settings		
C	Notifications		
Send notifications to this device when new information is available.			
e	Link My Accounts		

Both:

1. On the "Link My Accounts" page, you can either choose an organization listed or search for additional organizations, and click "Link Account."

Search organization by name, city or state in the "Discover accounts to link" search field.

You car See m	n now use MyChart to view your health information from other organizations where you and your family have records.
