Kennedy Krieger Institute is a proud sponsor of the Impossible Dream 2022 Summer Voyage. The Impossible Dream Catamaran is a universally accessible catamaran. She was created specifically for wheelchair users (manual and power) to sail independently and features wheelchair lifts allowing for easy wheelchair access and an unobstructed deck and outside 'racetrack' on a single level with no steps or door thresholds. Join us for a group sail around Baltimore's Inner Harbor.

*All ages, abilities and families welcome. Light refreshments provided!
Registration is required as there are limited spots available.*
