

# MEANINGFUL EMPLOYMENT WITH CORE CAREERS

Empowering Individuals with Disabilities to Thrive in the Workforce

CORE Foundations takes a multifaceted, person-centered approach to helping individuals with disabilities obtain and maintain meaningful employment and community engagement. From job prep to on-the-job support, CORE Careers program is here for every step of the journey.

## OUR SERVICES:

### Job Readiness

Not quite ready to start job hunting? No problem! Build confidence and learn essential workplace skills like advocacy, professionalism, and work/life balance to prepare for future employment.

### Job Development

Ready to find the right job? Our team offers hands-on support with:

- Resume building
- Interview prep & mock interviews
- Informational interviews
- Application assistance
- Social skills training
- **Virtual reality tools** for skill development
- Community exploration and more

### Empowering Employment

- Hands-on workforce development
- Supported workplace environment

### Ongoing Job Supports

Starting a new job or facing changes at work? We offer customized support to help you succeed—whether it's learning new tasks or adjusting to new responsibilities.

### Follow-Along Supports

Maintain your success with faded, long-term support tailored to your needs. We're here for the long haul to ensure lasting employment.

**Let's build your path to  
meaningful employment—  
together.**
