Working with Diverse Population: Cross-Cultural Assessment and Treatment Considerations

Dr. Rowena Ng, PhD, is a pediatric neuropsychologist in the Department of Neuropsychology at Kennedy Krieger Institute and an assistant professor of Psychiatry and Behavioral Sciences at Johns Hopkins University School of Medicine. Dr. Ng provides assessment services for children and adolescents with genetic, medical, and psychiatric conditions. [Click](#) to read presenter's bio.

Dr. Christina Love, PsyD, is a pediatric neuropsychologist in the Department of Neuropsychology at Kennedy Krieger Institute. Dr. Love provides clinical neuropsychological services to children, adolescents and young adults with a variety of developmental and medical conditions. [Click](#) to read presenter's bio.

Date: Tuesday, June 27, 2023

Time: 9 a.m. to 12:15 p.m.

Where: Live Interactive Webinar

Registered participants will receive an e-mail with instructions on how to join the session.

Objectives: Participants will be able to:

1. Define culture and describe ethical obligation to providing culturally competent services.
2. Describe key concepts and considerations for cross-cultural practice
3. Identify strategies for providing culturally responsive and competent evaluations and treatment services with specific populations, including the ECLECTIC model.

This presentation will provide a detailed overview of cross-cultural assessment concepts, including ethical implications and strategies to consider across the evaluation and treatment process. Additionally, considerations when working with specific populations and treatment modalities to use will be described. Finally, future directions will be discussed and resources for supporting cross-cultural assessment and treatment will be provided.

Instructional Level: Intermediate

Who Should Attend? Psychologists, Social workers, Counselors, Educators, Parents and caregivers, Nurses, Clinical and medical staff, Direct support professionals and other community service providers, Speech/Physical/Occupational therapists, Community members, Students/trainees.
