

The Hunter-Nelson Sturge-Weber Syndrome Center

Multidisciplinary Clinic Information

Our Goal

Our goal is to provide the highest level of coordinated care while you are here at Kennedy Krieger. With the multidisciplinary Sturge-Weber Clinic, our patients can see 4 providers (or more) from **8:30am-12:00pm** on the **1st Friday of each month.**

Our Team

- **Dr. Comi** (Director) - Medical and neurological evaluation to diagnose patient, develop treatment plan, and coordinate evaluations
- **Dr. Zabel** (Neuropsychology) – Evaluate the patient for learning, mood, and other behavioral disabilities
- **Dr. Suskauer** (Medical rehabilitation, physiatry) – Evaluate the patient’s function and make recommendations to improve function such as with bracing, equipment, or therapies
- **Teressa Reidy** (Occupational therapy) – Improve patients’ fine motor skills for use in daily living activities (eating, dressing, hygiene, toileting and play activities), oral motor skills and adaptive seating needs

Where is the Appointment

Your appointments will be held on the **1st floor** of the outpatient clinic at **801 North Broadway** in Baltimore, MD 21205. All of the appointments will be held in the same clinic room and the providers will come to you.

We also coordinate care with specialists in the following disciplines:

- Ophthalmology
- Dermatology
- Neuroradiology
- Epileptology
- Physical therapy
