

Do You Have a 3-5 Year Old?

- Participate with your child in a research study that involves the administration of a fun, interactive, play-based developmental screener
- This research is being conducted to study how this play-based measure works in children 3-5 years old.
- The study will take about 30 minutes long.
- Parking vouchers are available if needed.
- Your participation will be compensated with a \$25 gift card. Your child will also receive a gift bag with age-appropriate toys.

For any questions about the study or if you are interested in participating, please reach out to us at:
