

Wonder why your child gets
so **moody** and **angry?**

COULD IT BE

BIPOLAR DISORDER?

**Doctors are looking for children
and teens with Bipolar I Disorder
for a research study.**

If you think your child may have a mental
health problem, a local research study may
be an option.

**If enrolled, your child will receive
at no cost:**

- ✓ Investigational medication or placebo
- ✓ Study-related care from a local doctor
- ✓ Possible compensation for time
and travel

To qualify, your child must:

- ✓ Be age 10-17 years old
- ✓ Have Bipolar I Disorder

**Ask your doctor or
contact our clinic for
more information.**
