

CARD Outreach and Training

Continuing Education Requirements

The Outreach and Training Department at Kennedy Krieger Institute's Center for Autism and Related Disorders (CARD) offers continuing education unit (CEU) and Certificate of Attendance opportunities to virtual live and on-demand webinar attendees.

All individuals seeking continuing education units (CEUs) and/or a general certificate of attendance complete the below checklist. Failure to complete any of the checklist items will affect CEU/certificate awards.

Requirements Checklist:

- Register for a live or on-demand webinar by purchasing a \$25.00 CEU/Certificate Ticket. *Current opportunities:*
www.KennedyKriegerCARD.Eventbrite.com.
- Log into the webinar's [Eventbrite Online Event Page](#) and review the specified CEU/Certificate information.
- Attend and/or view the live or on-demand webinar and complete the following:
 - Answer all live poll questions that are presented by the speaker during the webinar. The online polling platform Slido is used by our speakers.
 - Attend the entire content presentation. The Q&A segment that will conclude each webinar is optional.
 - Answer all post-training quiz questions that are embedded in the webinar feedback survey.

ADDITIONAL REQUIREMENTS FOR SW/PSYC CEUs:

A SWPSYC Evaluation Form for each webinar attended must be completed, signed, and returned to the CARD Outreach and Training Department. Webinar forms are found on each webinar's [online event page](#).
