

CEU/Certificate Information and Requirements

All professionals seeking continuing education units (CEUs) or a general certificate of attendance must completed all the CEU/Certificate Requirements. Failure to complete the requirements, stated in the checklist below, will affect CEU/certificate awards.

On-demand training attendance for professionals is tracked and validated by the Center for Autism and Related Disorders' (CARD) Outreach and Training Department at Kennedy Krieger Institute. Completion of all the training requirements stated in the below checklist will generate the attendance report.

Requirements Checklist:

- ☐ View the on-demand training in its entirety.
- ☐ Answer all on-demand polling questions the speaker presents during the recorded training.
 - *On-Demand polling instructions are linked to the training Online Event Page. Please be sure to review and follow these instructions.*
- ☐ Complete the post-training questions in the feedback survey.
 - The feedback survey will appear on-screen at the end of the training video.
