Excellence in Mentorship of Under-Represented Groups (EMURG) for Health Equity Leaders Fellowship

Frequently Asked Questions

Fellowship Description and Activities

1. What is EMURG Fellowship?

The **Excellence in Mentorship of Under-Represented Groups (EMURG) for Health Equity Leaders Fellowship (EMURG Fellowship)** is a new Department of Health and Human Services (DHHS), Office of Minority Health 12-month fellowship. The goal of the fellowship is to provide educational and professional development opportunities for under-resourced and under-represented graduate-level scholars interested in addressing public health, mental health, maternal and child health, and health disparities within the federal government. The overarching goal of the EMURG Fellowship is to promote diversity among future federal public health leaders. Fellows may also gain clinical experience and develop leadership skills.

2. What are the site locations for the EMURG Fellowship?

The EMURG Fellowship is located multiple DHHS sites. In your application, we request that you specify what areas of public health you are interested in pursuing. Based on the information you provide on your application you will be matched with a mentor in one of the DHHS agencies. The EMURG Fellowship is hybrid, some activities are in-person, e.g., Orientation and other program activities (seminars and mentoring) will be virtual. We use rich, interactive learning design to integrate the in-person and virtual learning context to create interpersonal and collaborative connections among fellows across sites.
