

Spinal Cord Injury Medicine (SCIM) Fellowship Application 2026-2027

Congratulations on deciding to pursue specialized training in Spinal Cord Injury Medicine! This document is intended to guide you through the application process. This will serve as the primary application for all ACGME-Accredited SCIM fellowships. Applicants are expected to have completed an ACGME accredited residency, and be eligible to sit for board certification, prior to starting the SCIM fellowship. The application below, as well as all supporting documents, should be emailed to each SCI Fellowship program for which you wish to apply. There may be supplemental information requested by the program, but it should not duplicate the information you supply below, and could be requested after the Match.

National Resident Matching Program (NRMP)

All accredited SCIM fellowships participate in the NRMP. Much like in residency, the NRMP system allows you to rank the SCIM programs in order by preference, and a computer algorithm will match applicants to programs. An NRMP account number and registration in the SCIM Match is required in order to apply to an SCIM Fellowship.

SCIM Fellowship Application Important Dates	
April 1 st – Aug 14 th , 2026	Suggested submission window of this application & supporting material.*
